**Re: Female Health Co.
Revised Preliminary Proxy Statement on Schedule 14A
Filed June 21, 2016
File No. 001-13602**

Dear Mr. Parrish:

We have reviewed your filing and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to these comments within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing your response to these comments, we may have additional comments.

General

1. We note your response to comment 11 of our letter dated June 14, 2016; however, we note that the change in domicile is contingent upon the passage of the other merger-related proposals and, therefore, you do not appear to qualify for the exemption under Rule 145(a)(2) for mergers where the sole purpose of the transaction is to change the issuer's domicile. In addition, your analysis states that shareholders of FHCO do not have to vote on the APP merger. Please tell us how this is consistent with the by-laws that require a vote of shareholders when more than 20% of your outstanding stock will be issued.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
