Section 5 – Corporate Governance and Management

Item 5.07. Submission of Matters to a Vote of Security Holders

On March 28, 2011, The Female Health Company (the "Company") filed a Current Report on Form 8-K under this Item 5.07 to report the results of its Annual Meeting of Shareholders held on March 24, 2011 (the "Annual Meeting"). The Company is filing this amendment to that Form 8-K to disclose the Company's decision in light of the vote at the Annual Meeting regarding how frequently the Company will include a shareholder vote on the executive compensation of the Company's named executive officers.

In accordance with the shareholder voting results, in which every "Three Years" received the highest number of votes cast on the frequency proposal, and the Board of Directors' recommendation in the Proxy Statement for the Annual Meeting, the Company's Board of Directors has determined that future shareholder non-binding advisory votes on executive compensation will occur every three years. Accordingly, the next shareholder non-binding advisory vote on executive compensation will be held at the Company's 2014 Annual Meeting of Shareholders. The next required shareholder non-binding advisory vote regarding the frequency interval will be held in six years at the Company's 2017 Annual Meeting of Shareholders.
