Item 5.07 Submission of Matters to a Vote of Security Holders

On September 22, 2016, The Female Health Company (the “Company”) reconvened and then further adjourned its special meeting of shareholders that was originally convened on September 20, 2016 (the “Special Meeting”) to consider matters relating to the proposed merger transaction with Aspen Park Pharmaceuticals, Inc. (“APP”).

The following two proposals were submitted to a vote of shareholders at the reconvened Special Meeting on September 22, 2016:

Proposal 4. Approval of Issuance of Common Stock

The shareholders voted to approve the issuance of shares of common stock pursuant to the Agreement and Plan of Merger, dated April 5, 2016, as amended, among the Company, Badger Acquisition Sub, Inc., Blue Hen Acquisition, Inc. and APP.

Proposal 5. Non-Binding Advisory Vote on Compensation

Three other proposals were not submitted to a vote at the Special Meeting. On September 22, 2016, the Company issued a press release announcing the further adjournment of the Special Meeting and related matters, which is attached as Exhibit 99.1 and incorporated herein by reference.

THE FEMALE HEALTH COMPANY ANNOUNCES FURTHER ADJOURNMENT OF SPECIAL MEETING OF SHAREHOLDERS TO OCTOBER 14, 2016

Chicago – September 22, 2016 – The Female Health Company (FHC) (NASDAQ-CM: FHCO) today announced that the Special Meeting of Shareholders scheduled for today to vote on five proposals related to the proposed merger with Aspen Park Pharmaceuticals, Inc. (APP) has been adjourned to Friday, October 14, 2016 at 10 a.m. Central Time at 150 North Michigan Avenue, Suite 1580, Chicago, Illinois, 60601. As announced on September 20, 2016, the Company previously adjourned the Special Meeting of Shareholders to September 22, 2016 in order to provide additional time for shareholders to vote.

To date, over 60 percent of the outstanding shares have voted FOR all five of the proposals that have remained subject to voting after the adjourned September 20 meeting. Although progress has been made since the adjourned September 20 meeting, the three proposals requiring a super majority approval (66 2/3 percent) of the outstanding shares have not yet reached the required approval. Two other proposals which did not require super majority approval (the proposal to approve the issuance of common stock pursuant to the merger transaction with APP and the non-binding advisory vote on executive compensation) did receive the required majority of the votes cast and thus were approved on September 22. Accordingly, these two proposals no longer need to be considered by FHC shareholders at the adjourned meeting.

We continue to urge shareholders to vote FOR the three proposals requiring a super majority approval. During the period in which the Special Meeting is adjourned, FHC and APP may also discuss other transaction structures with respect to the proposed merger transaction with APP.

The FHC Board of Directors continues to recommend that shareholders vote “FOR” the proposals.

During the adjournment, shareholders of record on July 28, 2016 are entitled to and are being requested to vote. FHC’s proxy statement and any other materials filed by FHC with the SEC can be obtained free of charge at the SEC’s website at www.sec.gov or FHC’s website at www.femalehealth.com/investors/merger-documents.

Shareholders are reminded that their vote is important and are encouraged to vote at their earliest convenience. Shareholders who have already voted do not need to recast their votes. Proxies previously submitted will be voted at the reconvened meeting unless properly revoked. Shareholders who have not already voted or wish to change their vote are encouraged to do so using the instructions provided in the definitive proxy statement.

The failure to return the proxy, or vote at the special meeting in person, will have the same effect as a vote “against” the three proposals requiring a supermajority approval. FHC shareholders seeking copies of the definitive proxy statement or with questions about the special meeting may contact FHC’s proxy solicitation firm, D.F. King, Inc., at toll-free (866) 751-6309, or at 48 Wall Street, 22nd Floor, New York, New York 10005.

To vote, you will need the control number which appears on your proxy card. If you have not received the proxy materials and voting instructions, either electronically or in the mail, contact your broker, if you have one, or Michele Greco at The Female Health Company, 312-213-9859, mgreco@femalehealthcompany.com.

Below are two convenient ways to vote. FHC highly recommends shareholders vote electronically or by phone. Please have your control number ready while voting. The control number is located on your proxy card.

1. **Through the Internet, by visiting a website established for that purpose at www.proxyvote.com and following the instructions; or**
2. **By calling the toll-free number 1-800-690-6903 in the United States, Puerto Rico or Canada on a touch-tone phone and following the recorded instructions.**
