**URGENT, VOTE TODAY—IMPORTANT SHAREHOLDER INFORMATION.
WE NEED YOUR VOTE TODAY!**

Dear Fellow Shareholders:

We have adjourned the special shareholders meeting regarding the proposed merger transaction between The Female Health Company (FHC) and Aspen Park Pharmaceuticals, Inc. (APP) to October 14, 2016 in order to provide additional time for shareholders to vote. We are reaching out to urge all FHC shareholders to vote, and vote as soon as possible, **FOR** the proposals related to the merger.

Regardless of how many shares you own, your vote matters. As of September 20, 2016, 60% or greater of FHC's outstanding shares have voted FOR all three of the proposals that remain subject to voting. **The other three proposals (4, 5 and 6) have received the required majority of the votes cast and no longer need to be considered by FHC shareholders.** However, the three remaining proposals require a super majority approval (66 2/3%) of the outstanding shares, and we have not yet reached this threshold. We believe it important to point out that:

- Of the votes cast to date, approximately 80% have voted in favor of each the three proposals requiring a super majority approval;
- A leading independent proxy advisory firm, Glass Lewis, recommended that shareholders vote **FOR** all of the proposals; and,
- Failing to vote will have the same effect as a vote "against" the three proposals.

FHC's Board of Directors believes the merger is a remarkable opportunity to add multiple near-term products with extremely large market opportunities and transform our company into a more profitable and rapidly growing entity. We continue to urge shareholders to vote FOR the three proposals requiring a super majority approval.

Below are two convenient ways to vote. We highly recommend you vote electronically or by phone. Please have your control number ready while voting. The control number is located on your proxy card.

1. **Through the Internet, by visiting a website established for that purpose at www.proxyvote.com and following the instructions; or**
2. **By calling the toll-free number 1-800-690-6903 in the United States, Puerto Rico or Canada on a touch-tone phone and following the recorded instructions.**

We need your vote. For your vote to count, you must vote by proxy before, or in person at, the special meeting of stockholders on October 14, 2016. Any shares for which votes are not cast will be treated as a "no" vote. Shareholders who have already voted do not need to recast their votes. Proxies previously submitted will be voted at the reconvened meeting unless properly revoked.

If you haven't received your proxy materials and voting instructions either electronically or in the mail, we urge you to contact your broker if you have one. Alternatively please feel free to contact Michele Greco at The Female Health Company, 312-213-9859, mgreco@femalehealthcompany.com, and we will make certain that you get the proxy materials and voting instructions.

If you need additional assistance, please contact FHC's proxy solicitor:

It is critical that you cast your vote for the future of FHC.

Please vote today.

Sincerely,

O.B. Parrish
