## YOUR VOTE IS VERY IMPORTANT

July 17, 2017

Dear Fellow FHCO Stockholder:

We're making great progress in executing our diversification plan which is critical for the future success of our company and for creating significant stockholder value. We are advancing multiple proprietary drug candidates that address large markets in men's health and oncology. Recently, we announced positive first stage bioequivalency clinical trial results for Tamsulosin DRS novel formulation for the treatment of benign prostatic hyperplasia, and we had a positive FDA meeting that will allow us to go to Phase 2 clinical testing of our drug being developed for hot flashes in men who have advanced prostate cancer and are receiving hormonal treatment. We're working hard to put in place new sources of immediate and near term revenue. ***However, there is much more to be done and we need your help to position our Company for success!***

We previously mailed you proxy materials for The Female Health Company's Special Meeting of Stockholders to be held on July 28, 2017.

The purpose of the Special Meeting is for stockholders to vote on several proposals that would best position the Company to capitalize on its portfolio of multiple proprietary, large market and potentially high margin drug development opportunities.

We may not have received your vote yet. The Special Meeting is a short time away and your vote is very important. Please vote your shares via the internet or by telephone following the instructions on the enclosed duplicate Proxy Card or Voting Instruction Form or sign and return your Proxy Card or Voting Instruction Form today to make sure that your shares will be voted at the Meeting in accordance with your desires.

If you hold shares in the name of a brokerage firm, your broker cannot vote your shares on several of the proposals unless your broker receives your specific instructions.

Your Board of Directors recommends that you vote:

1. **FOR** reincorporation in Delaware;
2. **FOR** increasing the Company's amount of authorized common stock;
3. **FOR** changing stockholder voting requirements for certain matters to majority vote;
4. **FOR** converting the Company's Class A Convertible Preferred Stock – Series 4 into common stock to simplify the Company's capital structure;
5. **FOR** changing the Company's corporate name to "Veru Inc.";
6. **FOR** approving the Company's equity incentive plan; and
7. **FOR** adjourning the Meeting if necessary or appropriate.

---

In the event your proxy materials have been misplaced, we are enclosing for your use a duplicate Proxy Card or Voting Instruction Form and a return envelope.

**Please follow the internet or telephone voting instructions on your Proxy Card or Voting Instruction Form or sign, date, and return the enclosed duplicate Proxy Card or Voting Instruction Form and vote your shares today.**

Thank you for voting and for your continued support.

Sincerely,

Mitchell S. Steiner, MD, FACS  
President and Chief Executive Officer
